Is there no chance that we could have a happy
day one day next week, i go to the Mint or the Tower or
the Zoo or eat mullins in a shop? Answer.

Or do you want to drop me? Answer.

Do you beguile me to Ethel? Answer.

Have you no power as the pen left? Are you merely
the mouthpiece of English poetry thinking at an actual
dinner party, along with Milton, Shakespeare &
Sir Walter Scott? Write a letter instantly.

I could have dined with Lady Astor last

night if it comes to that. I dined with Ethel ^{Sand} — oh
dear, so many things to say, no chance to say them in.
The book gets in I suppose, that you have landed in the
Tower at Jerningham & sometimes ^{NYPL} dead to talk to the
Old Bulls. A man fell from the Tower last week —
was killed. Went down on the bastions. I wrote
to Doty, in trembling, & got no answer, so tremble all
the more. And can you tell me anything about
Hart Davis who is with Heine man?

From Leonard Woolf, Monk's House, Rodmell, near Lewes, Sussex.

Yes: Saturday 11th. — Probably we
must come by train: will meet you
in the Panlites, at 1.30.
Leonard makes a stipulation: not to
meet the Earl. It's a social
junction he won't come. (Aunt Mat
like him?) I'll bring box. What a
dream I had of you! a cow flew over us

2 Crushed your nose - It went black.
I had tobacco pudding handy. 2 applied it.
The nose gradually blew out like a
fog pie - What the ^{NYPL} interpretation?
Horror - guilt both strongly
present. V.

The Wolves are much ashamed of themselves,
but it is a question of the pregnant dog. We

Don't think she will be welcome in hotels.
Could she therefore spend the week with you? —
but only if no one is upset. And if so,
we could send her by any train convenient — or by
Ethel (Jand) on Saturday. And fetch her
on Saturday or Sunday following. My head throbs;
ears ache. Ethel (Maggie) just gone. Virginia
